18th July, 2025

9:30 AM – 5:30 PM

T-HUB
Hyderabad, Telangana

ABOUT THE EVENT

Student Startup Connect 2025 is not just an event it's a movement that brings together the energy of student innovators and the experience of startup founders and industry leaders. This one-of-a-kind platform is designed to bridge the gap between classroom learning and real-world entrepreneurial experience. It's a day dedicated to sparking inspiration, fostering collaboration, and immersing students in hands-on startup culture.

At its core, Student Startup Connect 2025 empowers students by providing access to practical startup insights that go beyond textbooks. Participants will gain real-world exposure by engaging with founders who have built companies from the ground up and industry experts who understand the evolving landscape of innovation. The event also opens doors to exclusive internship and networking opportunities, helping students build valuable connections that can shape their future. Most importantly, it shines a spotlight on student-led innovation, recognizing and celebrating young minds that are already making an impact.

Whether you're a curious learner, a budding entrepreneur, or someone eager to explore the startup ecosystem, this event is your gateway to learning, growing, and connecting with a vibrant community of change-makers.

OBJECTIVES OF CONNECT-X

Expose Students to Real Startup Journeys

The event aims to immerse students in authentic startup experiences by bringing them face-to-face with founders who have built businesses from scratch. These sessions are designed to go beyond theory highlighting the highs, lows, lessons, and pivotal moments that define the startup journey. This direct exposure helps students understand the realities of entrepreneurship and prepares them for their own ventures.

Encourage Peer-to-Peer Learning Through Student Founders

Student Startup Connect believes in the power of peer learning. By showcasing startups led by fellow students, we create an environment where ideas, challenges, and solutions are shared on a relatable level. This fosters a collaborative spirit and inspires attendees to believe that starting young isn't just possible it's powerful.

Create Opportunities for Internships and Collaborations

The platform serves as a catalyst for building meaningful relationships between students and startups. Whether it's through internships, project collaborations, or mentorships, attendees are given access to real-world opportunities that can significantly shape their career paths and entrepreneurial journeys.

Foster an Entrepreneurial Mindset Among Students

At the heart of this event is the mission to cultivate an entrepreneurial way of thinking. We aim to nurture curiosity, resilience, innovation, and leadership in every participant. Through interactive sessions, success stories, and hands-on experiences, students are empowered to think independently, take initiative, and create impact both within and beyond the campus ecosystem.
